## Southgate District Young Leader Unit

### What is the Young Leaders' Scheme?

The Young Leaders' Scheme is just one of the exciting programme elements in the Explorer Scout section. All leaders in the Beaver Scout, Cub Scout and Scout Section who are between the ages of 14 and 18 must be members of a Young Leaders Unit. They are Explorer Scouts who choose to devote a large proportion of their time in Scouting to service in another section. The Young Leaders' Scheme helps Explorer Scouts to develop and grow as individuals. It allows them to make a valuable contribution to their community and give service to others. <https://members.scouts.org.uk/youngleaders>

### Where and when?

First Tuesday every month from 7.30pm to 9.30pm @ 6th Southgate HQ, Walker Cricket Ground, N14 7JZ

Remember, there are two training modules that are compulsory for all young leaders and that young leaders MUST be registered with the young leader unit. For young people reading this, it is the responsibility of the group you're young leading with to inform us but if you want to be sure, don't hesitate to ask or show up to a training evening.

The training evenings are not only to provide training but also to provide you with the support and direction to get the most out of your service and hopefully complete the Young Leaders' Scheme. Young Leaders are there to learn and to develop, not just to be a useful pair of hands.

### Note to GSLs (who should be informed by Section Leaders)

This is easy to do; share the young leaders' details with the Young Leader Unit on OSM (Group: Southgate District, Section: Young Leader Unit) so that the young person stays with you but we can update their training and records, or if you're not on OSM, simply contact me to let me know who you have and we'll take it from there.

We are able to run more than one module at a meeting and we are always able to run Module A. We also provide support for the missions and scheme in general. If you have any questions or require assistance outside of the monthly meetings then you are always welcome to contact Dan via:
